## EXCELLENCE IN REFURB & THERMAL COATINGS FOR SHIPPING CONTAINERS

- Repair and refurbish shipping containers on-site or in our workshop, to return them weather-tight and seaworthy.
- Our internationally recognised marine rust inhibitive coating provides a 10 year guarantee even on previously rusty surfaces.
- Our thermal coating drastically reduces the thermal transfer up to 78% passing through the treated surface, providing a cooler internal space.
- Range of colours available.
